## at The Aldridge Compass Suites

Hands up if you'd like to join us!

### Who we are

Gorway Probus is for retired and semi-retired professionals who want to meet like minded people and we'd love to meet you. There are 2000 Probus clubs in the UK and 2022 is the 40th anniversary year for Gorway Probus. Meetings are held at 10am on the 3rd Thursday of the month at the Aldridge Compass Suite.

Our members regularly enjoy outdoor bowls (indoors in the winter), snooker, computers and walking. We regularly invite speakers from wide ranging backgrounds eager to share their knowledge and fascinating stories with us. There are occasional lunches, day trips and holidays.

We would love to meet you
