Walk No 247

Fradley Junction 5.00 Mile Walk Thursday 7th May 2026

Main walk

This is a route which has been followed before, but should be no less enjoyable when revisited. Easy **level walking** with plenty of interest, taking in two canals just north of Lichfield. The route follows roads, lanes, grassy field paths and towpaths. Starting from the centre of Alrewas the route follows two miles of the Trent & Mersey Canal to Fradley Junction which will make a fine coffee stop. The Junction is a focal point of the canal network with a number of listed buildings including The Swan Public House, cottages and a small warehouse. The adjacent crossover bridge and locks are also listed buildings. There is also an Information Centre, cafe and toilets. The walk then continues along the Coventry Canal for about a mile and a half before leaving to reach Fradley. Lanes and field paths are then followed back to Alrewas.

One option for Amblers is to take coffee at The Laughing Duck Cafe which is situated alongside the canal at Fradley Junction, with outdoor seating, £2.00 parking charge applies. DE13 7DN
